## Join the Hall of Fame

The opening of the Hall of Fame last spring marked the realization of the vision of our founders in 1988. We could not have accomplished this without the generous support of industry leaders like you who recognized that this home represents our place to gather, tell our stories to the world, learn and where we inspire future leaders.

As a Hall of Fame Foundation Member, you support our museum of interactive exhibits, the Home Furnishings Leadership Institute for emerging leaders, industry events, speakers, seminars, and other educational programming presented in unique and engaging ways.

Together, we play a role in improving lives by creating beautiful homes. Our \$150 billion industry has given each of us so much and your membership is one way to pay it forward for future generations. If you are not a member, we invite you to join us. Whatever role you play in the industry, the Hall of Fame is for you.
